Resource & Environmental Management Consultants, Inc.
8138 State Street, Ste. 2A
Midvale, UT 84047-3299

This is the administrative record index file for the Stehekin and Newhalem firing ranges, North Cascades National Park Complex, Non-Time Critical Removal Action. The file contains site-specific documents.

The Administrative Record (AR) file is available for review at the two following locations:

North Cascades National Park Complex
North Cascades National Park Headquarters
810 State Route 20
Sedro Woolley, WA 98284
(360) 854-7200

North Cascades National Park Complex
Golden West Visitor Center
Stehekin, WA 98852
(360) 854-7365 x14.

Questions about this administrative record file should be directed to the North Cascades National Park Facility Operations Specialist, Kerri Cook, Kerri_Cook@nps.gov or (360) 854-7280.

An Administrative Record file is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

Please note that this Administrative Record may include index data and other metadata (hereinafter collectively referred to as metadata) to allow the user to conduct index searches and key word searches across all the files contained in the AR. All the information that appears in the metadata, including any dates associated with creation of the indexing data, is not part of the AR for the Site under CERCLA and shall not be construed as relevant to the documents that comprise the AR. This metadata is provided as a convenience for the user and is not part of the Administrative Record.
